Erin Campbell  
Captivating Speakers

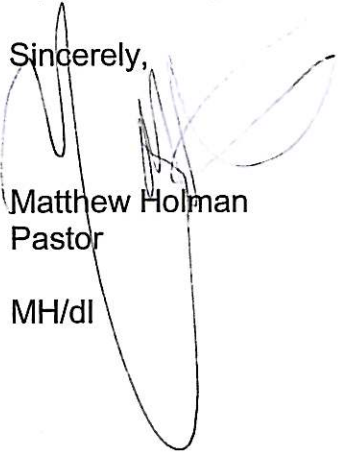

Dear Erin,

I have known Glenda Randall for 20 years. She is a wonderful and Godly woman with an eagerness to serve others. When I asked Glenda to share her testimony before the entire church, she communicated her story with heartbreaking honesty and complete vulnerability. She touched many broken hearts.

Glenda is a faithful and dedicated servant. I highly recommend her for any speaking engagement.

Sincerely,

Matthew Holman
